If you are attending the meeting via Zoom, these are the details you will need to access the meeting. We ask that you please do not share the meeting code and password outside members of the group in order to ensure that we do not have unwanted visitors disrupting the meeting.

The meeting code and password are highlighted in red below. If you are already familiar with Zoom this is all you need. If you haven't used Zoom before, visit the link below and you will be prompted to download the Zoom application software. If using a desktop computer or laptop, you will need a microphone and webcam (webcams usually have built in microphones) in order to be seen and heard. If you don't have either, you can still join by computer and see other attendees but you will need to dial in by phone in order to be heard if you wish to speak. You can use one of the numbers below.

If you have a smartphone or tablet, there is a zoom app for these that is very easy to use.

If you have any questions about using zoom, please get in touch with me on peterboroughiamsec@live.co.uk or call me on 07727 073064 (leave a message if necessary as I may be working) and I will do my best to help.

Leon King is inviting you to a scheduled Zoom meeting.
